April 2008

Only two months of school left! It's hard to believe how fast this year has gone. April and May will be busy for us with lots of extra activities. Please be sure to look for notes coming home with your child.

Dates to Remember

April 1 – Current student registration begins. Look for the registration form next week.

April 15 – Registration opens up to everyone.

April 13 – 18 – Scholastic Book Fair – We will sponsor a book fair after each Mass April 13. It will also be opened during school that week. The books we sell will help us get new books and learning materials for the program.

April 15 – Open House – We will be having an **open house from 7:00 – 8:30** for you to come see some of the things we have been doing in class and for new people who are interested in our program. We will also have the book fair opened during that time. If you know of anyone interested in the program, please let them know about the open house.

We are implementing a new drop-off and pick-up routine starting April 1st. The information on the back explains the procedure. We will be trying to work out all the kinks so we can have a smooth start next year, so if you have any suggestions please let us know. We are making these changes for the safety and convenience of our families.

Tuition is due by the 10th

Please remember as the weather gets warmer the children still need to wear shoes appropriate for the playground. Also please check to make sure the change of clothes in your child's backpack fits and is seasonally appropriate.
